The Secretary to the Government of Mysore,
Education and Local Self Government Departments,
BANGALORE

Sir

Estimate for the construction of a compound wall to the new Municipal Offices, Davangere City at a cost of Rs.12,890/-.

With reference to your letter No.L.8991/CM.69-54-17 dated 23-10-54 on the above subject, I write to state as follows -

2) Details in respect of item No. 7 and 9 along with Data and Drawing sheets are enclosed to the records.

3) The estimate was sanctioned for Rs.4,700/- in Council resolution dated 20-6-1951 and tenders were called for. The only tender of Sri. B.N. Balakrishna Modaliyar for Rs.5,644-8-0 was accepted by the Municipal Council in their resolution No.45 dated 22/30-8-1951. But subsequently the design was changed from cut stone pillars to M.S. rods ornamental design as per drawing enclosed and the estimate was revised to Rs.12,890/- providing tender rates for all items excepting 6, 7 and 9 (for which data is enclosed in the records). The original estimate for Rs.4,700/- was - for constructing compound wall to a length of 500 feet and now as per the revised estimate the length of the compound wall is increased to 712 feet. The Municipal Council at their meeting held on 26-12-1953 have sanctioned the revised estimate for Rs.12,890/- The bill prepared by the Municipal Engineer for the actual work done which amounts to Rs.4,770-15-0 and for which a modified estimate for Rs.4.770-15-0 is prepared. The completion report is only to the modified estimate for Rs.4,770-15-0 prepared as per actuals.

4) The necessity for preparing a revised estimate is explained above. A ~~blue print in this behalf~~ sketch showing the distance of compound wall proposed to be constructed as per original estimate i.e., 500' and also showir

as per revised estimate

showing the extended portion 212' (marking the same in red pencil) is enclosed herewith for kind perusal.

As regards para 5 of your letter I write to state that the Municipal Council at their meeting held on 29-11-1954 resolved that the work of construction of a compound wall to the New Municipal Office building may be defered and the contractor may be paid for the work done. But no payments could be made since the revised estimate is not yet sanctioned by Government.

In this connection I wish to bring to the kind notice of Government that Government in their Order No.L.1623-6/CM.11-52-32 dated 11th May 1954 have (among others) ordered that as the Chief Engineer has to be consulted in the matter, separate orders will issue in respect of this estimate.

Further I write to state that the Municipal Council at their meeting held on 29-9-1955 have resolved that Government be requested to accord sanction to the revised estimate for Rs.12,890/- for construction of a compound wall as it is of an urgent necessity and that the work be completed immediately in view of the impending visit of His Highness the Maharaja of Mysore to this City.

I have therefore instructed the contractor Sri. Balakrishna Modaliyar to push through the work and to complete the same by the time of the visit of His Highness the Maharaja of Mysore to this place i.e., 4-11-1955 as the time left is very short. I therefore request that my action in this behalf may kindly be ratified, and that early sanction of Government may kindly be obtained and communicated to the revised estimate for Rs.12,890/- at an early date.

The expenditure in this behalf will be met out of the provision under D1 in the current year's sanctioned Budget.

The connected file of records together with copies of resolutions dated 29-11-1954 and 29-9-1955 are enclosed herewith for kind perusal.
